- This product complies with the FAO/WHO, EC. However, we recommend that the user ensures that this product is in compliance with the local regulations in force, particularly in the country where the product is to be consumed.
- This product specification is only meant for internal use and may not be abused.
- The above information is true and correct to the best of our knowledge and is based upon the product formulation and data provided by our raw material suppliers. However, no guarantee or warranty can be derived from information contained in this document.
- Small deviations due to natural variations of some raw materials are always possible.
- This version replaces all previous versions.
- This document was created electronically and therefore it does not include a signature.

This product specification and its content is considered as accepted if not replied within 10 days after receipt.

We will only inform you off significant changes in the product specification, if the variations are more than 5% and if the product has been sold to your company during the last 6 month.
