Product denomination	TUSCAN SAUSAGE WITH ROSEMARY
Type of packaging	300g pack vacuum packed

INTERNAL COMPANY CODE: 12974	EAN CODE:
-------------------------------------	------------------

Ingredients	Product Characteristics
Pork meat 96%, salt, flavorings, rosemary (0,6%), spices, acidity regulator: E262, antioxidant: E300, preservative: E250 Natural pork casing	Meat origin: EU Viani Sausage is made solely with pork meat. It is flavoured with garlic and pepper. The main characteristic is given by the rosemary added to the mixture, which determine the particular aroma and taste of this sausage. It is stuffed into natural pig casings. After a short drying time it is vacuum packed. The sausage has to be cooked before eating. Traceability is granted by lot number on label.

Allergenic ingredients contained in product: N O N E

Average nutritional values per 100 g	Microbiological and Chemical-Physical Parameters
Energy: 310 Kcal 1285 kJ	Salmonella spp. None in 25 g
Fat: 27 g Saturated fat: 10 g	Aw <0,97
Carbohydrate: 0,8 g Sugar: 0 g	Nitrites and Nitrates Within the limits of the law
Protein: 16 g	
Salt: 3,3 g	

Package Characteristics	Packing
