

TECHNICAL DATA SHEET

23/02/2022

REV. 9

Product: TOMATO AND OREGANO TOASTED BREAD, CRISPBREAD

Ingredients: **Wheat flour**, high oleic sunflower oil (21%), tomato powder (7%), salt, yeast, oregano (0.2%), improver (**wheat flour (gluten)**), anti-caking agent (E-170), emulsifier (E-472e), flour treatment agent: ascorbic acid and enzymes).

Origen: Spain

Vida Útil: 12 months

Storage conditions and use: Keep in a dry place away from sunlight.

Microbiology:

PARÁMETRO	ESPECIFICACIÓN
Aerobios	<10 ³ ufc/g
Enterobacterias	<10 ufc/g
E. Coli	<10 ufc/g
Bacillus Cereus	<10 ufc/g
Staphylococcus Aureus	<100 ufc/g
Salmonella	Ausencia en 25g
Lysteria	Ausencia en 25 g
Mohos y Levaduras	<500 ufc/g

Physical and Chemical characteristics:

PARÁMETRO	ESPECIFICACIÓN
Nitratos	<200 mg NO ₃ / Kg
Aflatoxina B1	<2 ppm
Suma de Aflatoxinas (B1, B2, G1, G2)	<4 ppm
Ocratoxina A	<0.5 ppm
Deoxinivalenol	< 500ppm
Zearalenona	< 50ppm
Benzo(a)pirenos	< 1ppm
Melamina	2,5ppm
Ácido erúcico	50ppm
Acrilamida	350ppb

aw <0.92

pH between 4 and 6

Process:

Raw material reception - Storage - Dosing - Kneading - Baking - Cooling - Packaging - Metal detector - Palletizing.

Allergenics:

Contains **gluten**.
May contain traces of soy, milk, sesame, peanuts and shell nuts.

GMO'S:

GMO free product.

**Nutritional Information
100 gr:**

Energy value : 1969 kJ / 470 kcal
Fat: 22 g
of which Saturated : 2,1 g
Carbohydrates: 55,3 g
of which Sugars: 4,8 g
Protein: 10,1 g
Salt: 1,44 g

Logistics:

Packed into bags of 150 gr.
Cartons containing 12 bags
Eupallets containing 80 cartons.

Legal requirements:

RD 126/1989 Technical-Sanitary Regulation for the production and marketing of chips and snack products
Regulation 852/2004, referring to Food Hygiene
Regulation 2073/2005, Microbiological criteria applicable to

food products.

Regulation 1441/2007 Microbiological criteria applicable to food products (amends regulation 2073/2005).

Royal Decree 135/2010 Repeal of provisions relating to microbiological criteria for microbiological products.

Regulation 1881/2006, Maximum content of certain contaminants in food products

Regulation 2158/2017, Control Measures for the reduction of Acrylamide in food.

Order 265/1989, Quality standards for heated oils and fats

Regulation 1169/2011, Food information provided to the consumer

Regulation 696/2014 Amends R 1881/2006 regarding the maximum content of erucic acid in vegetable oils and fats and in foods that contain them.

Regulation (EEC) No. 315/93 Community procedures are established in relation to contaminants present in food products

Royal Decree 1334/1999 General standard for labeling, presentation and advertising of food products

Regulation 1924/2006 Nutritional declarations and healthy properties of food

Regulation 178/2002 General principles and requirements of the alimentarius legislation, the Food Safety Authority is created and procedures related to food safety are established.

Law 4/2005 Public Health Law of the Valencian Community

RD 1801/2008 Regulations related to the nominal quantities for packaged products and the control of their effective content

RD 1424/1983 Technical-Sanitary Regulations for obtaining, circulating and selling edible salt and brines.

RD 191/2011 On the General European Sanitary Registry of Food and Food Companies

Regulation 396/2005 Relating to the maximum limits of pesticide residues in food and feed of plant origin.

Regulation 2023/2006 on good manufacturing practices for materials and objects intended to come into contact with food.

Regulation 1935/2004 on materials and objects intended to come into contact with food.

Regulation 10/2011 Plastic materials and objects intended to come into contact with food. (Specific measure of article 5 of R 1935/2004).

Royal Decree 866/2008 List of substances allowed for the manufacture of plastic materials and objects intended to come into contact with food and certain test conditions are regulated.

RD 140/2003 Sanitary Criteria for the quality of water for human consumption

RD 952/1997 Basic Regulation of Toxic and Hazardous Waste

Regulation (EU) 2019/649 of the Commission, of April 24, 2019, which modifies Annex III of Regulation (EC) No.

1925/2006 of the European Parliament and of the Council

with regard to trans fats, which other than trans fats naturally present in animal fats.

Regulation (EU) 2021/382 of the Commission of March 3, 2021, which modifies the annexes of Regulation (EC) No. 852/2004 of the European Parliament and of the Council, regarding the hygiene of food products, as regards regarding food allergen management, food redistribution and food safety culture.

Regulation (EU) 2020/1245 of the Commission of September 2, 2020, which modifies and corrects Regulation (EU) No. 10/2011, on plastic materials and articles intended to come into contact with food.

Regulation (EU) 2019/37 of the Commission, of January 10, 2019, which modifies and corrects Regulation (EU) No. 10/2011, on plastic materials and articles intended to come into contact with food.

Royal Decree 308/1983, of January 25, which approves the Technical Sanitary Regulation of Edible Vegetable Oils.

Regulation (EU) 2021/1532 Commission of 17 September 2021 amending Annex I to Regulation (EC) No. 1334/2008 of the European Parliament and of the Council with regard to the inclusion of 3-(1 -((3,5-dimethylisoxazol-4-yl)methyl)-1H-pyrazol-4-yl)-1-(3-hydroxybenzyl)imidazolidine-2,4-dione in the Union list of flavoring substances.

Royal Decree 2242/1984, of September 26, which approves the Technical-Sanitary Regulation for the production, circulation and trade of condiments and spices.

Royal Decree 40/2010, of January 15, which modifies Royal Decree 2242/1984, of September 26, which approves the technical health regulations for the production, circulation and trade of condiments and spices.

Regulation (EU) 2021/1532 Commission of 17 September 2021 amending Annex I to Regulation (EC) No. 1334/2008 of the European Parliament and of the Council with regard to the inclusion of 3-(1 -((3,5-dimethylisoxazol-4-yl)methyl)-1H-pyrazol-4-yl)-1-(3-hydroxybenzyl)imidazolidine-2,4-dione in the Union list of flavoring substances.

Royal Decree 2242/1984, of September 26, which approves the Technical-Sanitary Regulation for the production, circulation and trade of condiments and spices.

Royal Decree 40/2010, of January 15, which modifies Royal Decree 2242/1984, of September 26, which approves the technical health regulations for the production, circulation and trade of condiments and spices.

Commission Regulation (EU) 2021/1916 of November 3, 2021 amending Annex I to Regulation (EC) No. 1334/2008 of the European Parliament and of the Council with regard to the inclusion of acid 4 -amino-5-(3-(isopropylamino)-2,2-dimethyl-3-oxopropoxy)-2-methylquinoline-3-carboxylic in the Union list of flavoring substances.

Regulation (EU) 2021/1917 of the Commission of November 3, 2021 that modifies Annex I of Regulation (EC) No.

1334/2008 of the European Parliament and of the Council with regard to the inclusion of 2-(4-methylphenoxy)-N-(1H-pyrazol-3-yl)-N-(thiopheno-2-ylmethyl)acetamide in the Union list of flavoring substances.

COMMISSION REGULATION (EU) 2020/192 of 12 February 2020 amending Annexes II and III of Regulation (EC) No 396/2005 of the European Parliament and of the Council with regard to maximum residue limits for prochloraz in certain products and its subsequent modification on 10/28/2021.

COMMISSION REGULATION (EU) 2020/192 of 12 February 2020 amending Annexes II and III of Regulation (EC) No 396/2005 of the European Parliament and of the Council with regard to maximum residue limits for prochloraz in certain products and its subsequent modification on 10/28/2021.

Regulation (EU) 2021/618 of the Commission, of April 15, 2021, which modifies annexes II and III of Regulation (EC) No. 396/2005 of the European Parliament and of the Council with regard to maximum residue limits of diclofop, fluopyram, ipconazole and terbutylazine in certain products and its subsequent modification on 10/28/2021.

Regulation (EU) 2021/1881 of the Commission of October 26, 2021, which modifies annexes II and III of Regulation (EC) No. 396/2005 of the European Parliament and of the Council regarding maximum residue limits of imidacloprid in certain products.

Regulation (EU) 2021/1864 of the Commission of October 22, 2021, amending annexes II, III and V of Regulation (EC) No. 396/2005 of the European Parliament and of the Council with regard to maximum limits of amisulbrom, flubendiamide, mepyldinocap, metaflumizone and propineb residues in certain products.

Regulation (EU) 2021/1842 of the Commission of October 20, 2021, amending annexes II and III of Regulation (EC) No. 396/2005 of the European Parliament and of the Council with regard to maximum residue limits of flupyradifurone and difluoroacetic acid in certain products.

Regulation (EU) 2021/1841 of the Commission of October 20, 2021, amending annexes II and III of Regulation (EC) No. 396/2005 of the European Parliament and of the Council regarding maximum residue limits of 6-benzyladenine and aminopyralid in certain products.

Commission Regulation (EU) 2021/2202 of December 9, 2021 amending Annexes II, III and IV of Regulation (EC) No. 396/2005 of the European Parliament and of the Council with regard to maximum residue limits of acequinocil, *Bacillus subtilis* strain IAB/BS03, emamectin, flutolanil and imazamox in certain products.

Commission Regulation (EU) 2022/93 of 20 January 2022 amending Annexes II, III and IV of Regulation (EC) No. 396/2005 of the European Parliament and of the Council with

regard to limits maximum residue levels of acrinathrin, fluvalinate, folpet, fosest, isofetamid, cucumber mosaic virus, EU strain, Abp1 attenuated isolate, and cucumber mosaic virus, CH2 strain, Abp2 attenuated isolate, spinetoram, and spirotetramat in or on certain products.

Commission Regulation (EU) 2022/85 of 20 January 2022 amending Annex II of Regulation (EC) No 396/2005 of the European Parliament and of the Council with regard to the maximum residue limits for flonicamid in and on certain products.

Regulation (EU) 2022/78 of the Commission of January 19, 2022, amending Annexes II and III of Regulation (EC) No. 396/2005 of the European Parliament and of the Council with regard to the maximum limits of dazomet, hexythiazox, metam and methylisothiocyanate residues in and on certain products.

Regulation (CE) n° 178/2006 of February 1, 2006 that modifies Regulation (CE) n° 396/2005 of the European Parliament and of the Council to establish Annex I that includes the list of foods and feeds to which contents apply pesticide residue limits (DO L 29, 02/02/2006).

Commission Regulation (EC) No. 149/2008 of January 29, 2008 amending Regulation (EC) No. 396/2005 of the European Parliament and of the Council to establish Annexes II, III and IV that establish maximum residue levels for the products included in its Annex I.

Commission Regulation (EC) No. 256/2009 of March 23, 2009 amending Annexes II and III of Regulation (EC) No. 396/2005 of the European Parliament and of the Council with regard to the maximum residue limits for azoxystrobin and fludioxonil in certain products.

Regulation (CE) n° 299/2008 of the European Parliament and of the Council of March 11, 2008 that modifies Regulation (CE) n° 396/2005 on maximum pesticide residues in food and feed of plant and animal origin, for which refers to the implementing powers conferred on the Commission.

Commission Regulation (EC) No. 1097/2009 of November 16, 2009 amending Annex II of Regulation (EC) No. 396/2005 of the European Parliament and of the Council with regard to the maximum residue limits for dimethoate, ethephon, fenamiphos, fenarimol, methamidophos, methomyl, omethoate, oxydemeton-methyl, procymidone, thiodicarb, and vinclozonil in certain products.

Commission Regulation (EC) No. 1050/2009 of October 28, 2009 amending Annexes II and III of Regulation (EC) No. 396/2005 of the European Parliament and of the Council with regard to the maximum residue limits for acetamiprid, azoxystrobin, emamectin benzoate, cyflufenamide, clomazone, famoxadone, flufenoxuron, fluopicolide, indoxacarb, ioxynil, mepanipyrim, fenbutatin oxide, pyridalyl, prothioconazole, thiacloprid, and trifloxystrobin in certain products.

Commission Regulation (EC) No. 822/2009 of August 27, 2009 amending Annexes II, III and IV of Regulation (EC) No. 396/2005 of the European Parliament and of the Council with regard to the maximum limits of atrazine, azoxystrobin, cyprodinil, chlormequat, dithiocarbamates, spirotetramat, fludioxonil, fluroxypyr, indoxacarb, mandipropamid, tetraconazole, potassium triiodide and thiram residues in certain products.

Commission Regulation (EC) No. 1050/2009 of October 28, 2009 amending Annexes II and III of Regulation (EC) No. 396/2005 of the European Parliament and of the Council with regard to the maximum residue limits for acetamiprid, azoxystrobin, emamectin benzoate, cyflufenamide, clomazone, famoxadone, flufenoxuron, fluopicolide, indoxacarb, ioxynil, mepanipyrim, fenbutatin oxide, pyridalyl, prothioconazole, thiacloprid, and trifloxystrobin in certain products.

Commission Regulation (EU) No. 750/2010 of July 7, 2010 amending Annexes II and III of Regulation (EC) No. 396/2005 of the European Parliament and of the Council with regard to the maximum residue limits for acetamiprid, acibenzolar-S-methyl, ametoctrazine, amisulbrom, azoxystrobin, bixafen, dimethomorph, dithiocarbamates, fludioxonil, imazalil, pyraclostrobin, pirimicarb, prohexadione, prosulfocarb, tebuconazole, thiacloprid, and triclopyr in certain products.

Commission Regulation (EU) No. 459/2010 of May 27, 2010 amending Annexes II, III and IV of Regulation (EC) No. 396/2005 of the European Parliament and of the Council with regard to the maximum limits of Residues of aminopyralid, azoxystrobin, boscalid, buprofezin, cypermethrin, cyprodinil, chlorantraniliprol, difenoconazole, spinetoram, spirotetramat, ethephon, fenitrothion, flusilazole, fosetil, imidacloprid, indoxacarb, isoxaflutol, lambda-cyhalothrin, mandipropamid, metazachlor, methomyl, pyraclostrobin, profenofos Tebuconazole, Thiacloprid, Triadimefon, Triadimenol and Trifloxystrobin in certain products (Text with EEA relevance).

Commission Regulation (EU) No. 304/2010 of April 9, 2010 amending Annex II of Regulation (EC) No. 396/2005 of the European Parliament and of the Council with regard to the maximum residue limits of 2-phenylphenol in certain products (Text with EEA relevance).

Commission Regulation (EU) No. 508/2011 of May 24, 2011 amending Annexes II and III of Regulation (EC) No. 396/2005 of the European Parliament and of the Council with regard to the maximum residue limits for abamectin, acetamiprid, cyprodinil, difenoconazole, dimethomorph, spirotetramat, fenhexamide, pyraclostrobin, proquinazid, prothioconazole, thiacloprid, thiamethoxam, and trifloxystrobin in certain products.

Council Regulation (EC) No. 669/2009 of July 24, 2009 that develops Regulation (EC) No. 882/2004 of the European Parliament and of the Council with regard to the

intensification of the levels of official controls on imports of certain foods of non-animal origin and amending Decision 2006/504/EC.

Commission Regulation (EU) No. 212/2010 of March 12, 2010 amending Regulation (EC) No. 669/2009 that develops Regulation (EC) No. 882/2004 of the European Parliament and of the Council with regard to the intensification of the levels of official controls on imports of certain foods of non-animal origin (DO L 65, 03/13/2010).

Commission Regulation (EU) No. 878/2010 of October 6, 2010 amending Annex I of Regulation (EC) No. 669/2009 with regard to the intensification of the levels of official controls on imports of certain foods of non-animal origin.
