[Fumagalli Industria S.p.A.](#)

#### DESCRIPTION

Prepared with selected meat from heavy pigs. The meat is coarsely minced and salted and flavoured with spices. Once bagged, it is placed in cages that give the product its characteristic 'flattened' shape. The subsequent slow curing, which takes place in carefully ventilated rooms, guarantees the product a soft consistency, a ruby red colour with a well-defined alternation of pearly white fat, a delicate aroma and a sweet flavour.
